EFFECTIVE:	07/15/2026

ACCOUNT OVERVIEW

HALVORSEN STRUCTURAL LLC is a structural steel erection contractor operating from a single Denver location. The account is being re-marketed for the 07/15/2026 term. The expiring programme is placed through Commercial Risk Solutions; ThinkSmith Agency is the submitting producer for this renewal.

Coverage requested: General Liability, Business Auto, Inland Marine and a Commercial Liability Umbrella. The applicant carries no property, crime or workers compensation coverage under this programme.

The General Liability coverage part is written on a claims-made basis.

One vehicle is scheduled - a 2012 Subaru Outback - garaged at the Denver premises and used for supervisor travel between job sites.

LOSS SUMMARY

No known losses in the past five years.
