

UNDERWRITING SUBMISSION NARRATIVE

Commercial package submission

Applicant: Orbin Contracting LLC
Mailing Address: 4800 Dahlia St # D13, Denver, CO 80216-3121
Legal Entity: Limited Liability Company
Business: Commercial general contractor

ACCOUNT OVERVIEW

Orbin Contracting LLC is a commercial general contractor based in Denver, Colorado. The company manages tenant-finish, remodeling and light commercial construction projects for building owners and property managers in the Denver metro area, working from its office at 4800 Dahlia St # D13.

OPERATIONS

The principals supervise every project directly and act as the executive supervisors on site. Trade work - framing, drywall, electrical, plumbing, mechanical and finish work - is subcontracted to licensed trade contractors under written subcontract agreements.

SUBCONTRACTING

Subcontractors are required to carry their own general liability insurance and to provide certificates of insurance before they start work. Orbin keeps the certificates on file for every project.

VEHICLES

The company owns one vehicle, a 2012 Subaru Outback.

UMBRELLA

The account carries a commercial umbrella over its general liability and auto policies. The umbrella limit is \$1,000,000.

PLACEMENT

The account has been placed through Commercial Risk Solutions.

COVERAGE REQUESTED

General Liability, Commercial Auto, Inland Marine (contractors equipment and installation floater) and Commercial Umbrella.

LOSS HISTORY

There have been no losses in the past 5 years.
