Subject: NEW BUSINESS SUBMISSION - Cumberland Hearth & Hospitality Supply, Inc. - eff 12/1/26 - Ridgeline HTP-TN
Attachments: CHHS_submission_package.pdf (this file)

Priya,

Attached is our new business submission for Cumberland Hearth & Hospitality Supply, Inc. for Ridgeline Specialty Insurance Company's Hospitality Trades Package Program, which we understand Appalachian Risk Underwriters administers. This is a request for quotation - new business to Ridgeline. The account has been with Old Hickory Mutual Insurance Company (general liability and auto), Magnolia Underwriters Insurance Company (property) and Cardinal Excess Insurance Company (umbrella). Old Hickory has sent a renewal offer, but the insured has asked us to market the account and Riverbend became agent of record on 07/15/2026.

LINES REQUESTED: Commercial General Liability, Commercial Property, Business Auto and a Commercial Umbrella ($5,000,000 each occurrence / aggregate).

NOT REQUESTED: workers compensation (stays with Tennessee Employers Mutual, policy TEM-WC-0558213); commercial inland marine (the installation floater IMF-3318207 is already written by Ridgeline and runs to 06/2027); crime (the insured declined it); cyber (discussed, not requested at this time). Equipment breakdown is wanted as an ENDORSEMENT to the property policy - this is not a request for a separate boiler and machinery policy. No liquor liability is needed - the insured does not sell or serve alcohol; the caterer at its customer event holds its own liquor license.

PROPOSED TERM: 12/01/2026 to 12/01/2027 (twelve months). We moved this from 11/15/2026 so that every line starts together - see Ted's e-mail of 9/24 further down the package.

BILLING: direct bill to the insured, quarterly installments, paid by ACH auto-debit. (The current Old Hickory program is Agency bill - 10 installments and the insured does not want that again.)

NAMED INSUREDS: (1) Cumberland Hearth & Hospitality Supply, Inc. and (2) its wholly owned subsidiary Cumberland Hearth Service Co., LLC. Please do NOT add Music Row Kitchen Rentals, LLC - the insured owns 40% of it and it buys its own insurance. Cumberland Restaurant Supply, LLC is the old name of the corporation (converted 01/01/2022), not a separate company.

GENERAL LIABILITY: same limits as expiring EXCEPT damage to premises rented to you increased to $300,000 and medical expense increased to $10,000; the general aggregate to apply per location (CG 25 04 05 09). Please quote a $1,000 per occurrence property damage liability deductible (the expiring policy has none). Keep employee benefits liability at $1,000,000. Occurrence form, as expiring.

AUTO: add towing and labor on vehicles 2 and 3 (the two service vans) and increase the collision deductible on vehicle 4 (the Freightliner) to $2,500. Everything else as expiring. The 2017 Ford E-350 on the old schedule was sold on 05/22/2026 and came off by endorsement 2.

LOSS RUNS: five years, currently valued, for every carrier (Old Hickory valued 09/15/2026). The insured's former name appears on the older Old Hickory pages.

OPEN ITEMS: questions 7 and 9 on the general information page are still with the insured - Margaret wants to review them with the company's attorney. We will send those answers separately; please do not treat them as answered.

Thanks - happy to set up a call with Ted.

To: Priya Raman
Subject: RE: Cumberland Hearth - underwriting questions

Q: Who is the insurer on this - Ridgeline or ARU?
A: Ridgeline Specialty Insurance Company is the writing company; ARU administers the program. (Priya confirmed Ridgeline's NAIC on the acknowledgement.)

Q: Is the Kellerman lot customer parking? Fee?
A: Yes - owned lot, 60 spaces, customers and employees. No fee is charged.

Q: Drones?
A: They sold their drone in June 2025 and own none now. They hire SkyFrame Imaging twice a year for marketing photos.

Q: Subcontracting?
A: 22% of the installation work, final electrical and gas connections only; $412,000 paid to subs in FY2025.

Q: Are all the vehicles part of a fleet?
A: I don't know how Ridgeline defines a fleet for this question - four units. I have asked Ted and will come back to you; please treat it as open.

Q: Questions 7 and 9 on the 125?
A: Still open with the insured's attorney. Not answered.

Q: Any swimming pool, lodging, day care or recreation facilities?
A: Not something we asked - I'll add it to the client questionnaire.

Q: Employees?
A: 66 full time and 7 part time on payroll across both companies. The 9 seasonal workers are agency temps from Harpeth Staffing - not on payroll.

Q: Any other insurance with Ridgeline?
A: Yes - the installation floater, IMF-3318207. The workers compensation is NOT with Ridgeline.

Q: Loss runs?
A: Attached - Old Hickory valued 09/15/2026, Magnolia 09/10/2026, Cardinal 09/08/2026, Volunteer Fire & Marine through 12/01/2024.

E-MAIL THREAD - OPEN ITEMS (insured's CFO and the agency)

From: Theodore Lindqvist <tlindqvist@cumberlandhearth-example.com>
Sent: Wednesday, September 30, 2026 7:48 AM
To: Caroline Whitlock
Cc: Margaret A. Ellison; Denise Okafor
Subject: RE: RE: Cumberland Hearth - your open items list

Caroline - final answers to your list, in your numbering. Where this disagrees with the worksheet Jordan filled in back in August, this e-mail is right.

1. Effective date - confirmed 12/01/2026 for all lines, twelve-month term. Please kill the November 15 date everywhere.

2. Installation / service / repair share - installation, service and repair work is 18% of our TOTAL sales (FY2025: $3.35 million of $18.6 million). Of total sales, 17% is installation, service or repair done OFF our premises at customer kitchens; the remaining 1% is bench repair in our own shop. (You may hear '95%' from Rafael - about 95% of service CALLS are at customer sites; that is a count of calls, not a share of sales.) Retail walk-in sales at the showroom are about 4% of total sales.

3. Denise's numbers - her direct line is 615-555-0165 (business). The worksheet shows her cell as 615-555-0109; that is a typo, her cell is 615-555-0190. Her second e-mail is ap@cumberlandhearth-example.com (the payables box). Rafael's second e-mail is facilities@cumberlandhearth-example.com; his desk line 615-555-0168 is a business line and his primary number is his cell, 615-555-0177.

4. Annual revenues for the location boxes on the application: location 1 (Kellerman) $15,200,000; location 2 (La Vergne depot) $0 - no sales at the depot; location 3 (Franklin, the Service Co. office) $3,400,000. Those three add to the $18.6 million.

5. Drones - we sold our DJI drone in June 2025. We do not own, lease or operate any drones today. We DO hire SkyFrame Imaging, LLC (FAA Part 107 certified) about twice a year to photograph completed installations for marketing; SkyFrame carries its own aviation liability insurance.

6. Parent company - we are not a subsidiary of anyone. Margaret holds her 60% through the Margaret A. Ellison Revocable Trust; Owen and I hold the rest personally. The 'Ellison Family Holdings LLC' on the 2024 application was dissolved in March 2025. The business itself has NOT been placed in a trust - only Margaret's shares sit in her personal living trust.

7. Music Row Kitchen Rentals - a 40% minority interest; it is NOT a subsidiary, it buys its own insurance, and we are not asking you to cover it. Do list it as an other business venture. Our one subsidiary is the Service Co. (100%).

8. Judgments and liens - we WON a judgment against Two Rivers Catering Co. in 2025 ($22,480, Davidson County Chancery Court) for unpaid invoices; that money is owed TO us. There is no judgment or lien against Cumberland Hearth. The only filings in our name are Pinnacle's UCC financing statements on the equipment loan. Question 10 is No.

9. Safety - the safety committee meets QUARTERLY (January, April, July, October). We stopped monthly meetings in 2023. Lorena Vasquez is our Safety & Compliance Coordinator; the written program follows OSHA general industry rules and every technician has OSHA 10. Forklift operators are re-certified every year.

10. Chemicals - Propane: up to twelve 33-lb forklift cylinders stored in a locked exterior cage at the Kellerman warehouse. Private-label degreaser concentrate (sodium hydroxide based, corrosive) stored in sealed drums in a bunded chemical room. No explosives.

11. Riverside Bistro Group - yes, they filed Chapter 11 in 2024 and we wrote off a $14,200 receivable. That was a CUSTOMER's bankruptcy. Same with the combi oven we repossessed from Gallatin Pike Diner when they stopped paying - we were the one repossessing.

12. Questions 7 and 9 - Margaret wants to go over those two with our attorney before we sign anything. Please leave them open; we'll answer them directly on Primble's

E-MAIL THREAD - OPEN ITEMS (insured's CFO and the agency)

questionnaire.

13. Losses - the umbrella has never had a claim (no known losses). For the rest, go by the loss runs, not by my memory.

E-MAIL THREAD - SQUARE FOOTAGE AND PREMISES (facilities manager and the agency CSR)

From: Rafael Quintero Sent: 08/27/2026 2:14 PM To: Jordan Pike Subject: RE: building sizes

Jordan - Kellerman is 58,000 sq ft under roof. We use 52,000 of it; the other 6,000 is the print shop (Gallatin Pike Printing Co.) we sublease to on the north end. The showroom (the only part the public walks into) is 2,400 sq ft including the test kitchen.

La Vergne: we have Suite C - 12,500 sq ft - in a 50,000 sq ft flex building. Nobody from the public comes there. It's in the county, not the city, even though the mail says La Vergne.

Franklin: Suite 220 was 3,400 sq ft until the July amendment; we gave back a room and now have 3,100. About 300 sq ft of that is the reception area where customers drop in. The building is 24,000 sq ft.

Visco Drive closed at the end of June. Keys returned, nothing left there.

E-MAIL THREAD - REVENUE AND PAYROLL (controller and the agency CSR)

From: Denise Okafor Sent: 08/28/2026 10:02 AM To: Jordan Pike Subject: RE: revenue / payroll for the app

Jordan - FY2025 consolidated revenue was $18.6 million. All equipment, parts and showroom sales are booked at Kellerman ($15.2M). The Service Co. books its own service revenue out of Franklin ($3.4M). La Vergne is a depot - zero revenue. The FY2027 plan is $21.1M but that is a budget, not actuals.

Payroll FY2025 was $4,918,300 for both companies. Service technicians' payroll (Service Co.) was $1,190,000 in FY2025; we estimate $1,284,600 for the coming policy year with two raises and one added tech.

Backlog of signed orders not yet delivered: $4,312,600 at the end of August.

My direct line is 615-555-0165. Please use ap@cumberlandhearth-example.com for invoices.

E-MAIL - LOSS RUNS UNDER THE OLD NAME (insured's CFO)

From: Ted Lindqvist Sent: 09/25/2026 8:40 AM To: Caroline Whitlock Subject: old loss runs

Caroline - the 2022 auto claim on the Old Hickory run shows our old name, Cumberland Restaurant Supply, LLC. That is us - same company, same FEIN, same vans; we converted to a corporation on 1/1/2022 and the carrier did not update the name until the 2022 renewal. Please include it in the five-year history.

Music Row Kitchen Rentals' slip-and-fall is THEIR claim on THEIR policy - not ours.

The 2020 sprinkler leak is older than five years from the new effective date, so leave it off the application.
